Minimum charge of \$15.77 per quarter for commercial, industrial, institutional and Airport. Mixed use properties are charged for both uses (e.g. commercial below and residential above).

This fee was instituted by the City as a means to generate revenue to pay for street lighting costs, infrastructure and operating costs.

Penalty for Late Payment. Water and sewer billings must be paid within thirty days or a penalty of 5% will be added to the balance of the bill.

Delinquent Accounts. All charges for water and sewer services to a property are a continuing statutory lien against the property until they are paid. Accounts that are delinquent on November 1st of each year will be sent to Dakota County, along with a \$25.00 administrative fee and an 8% interest charge to be collected as a special assessment with the following year's property taxes. The owner of the premises served by the City system is equally responsible with the occupant thereof for payment of any charges made to the premises. Mailing of a statement of a charge to the occupant of the premises constitutes notice thereof to the owner.
