Comments: _____

This permit expires if work does not commence within 180 days of issuance or if work is suspended or abandoned for a period of 180 days. All exterior work covered by this permit must be completed within 180 days of issuance. The Building Official may grant a one-time extension of up to 180 days upon written request with justifiable cause demonstrated. All work - any work that wishes to be recommenced on an expired permit requires a renewal permit. The fee will be half the cost of the original permit.

The undersigned hereby makes application for a permit for the work specified herein, agreeing to do all the work in strict accordance with South St. Paul City Ordinances, applicable codes, and rulings of the Building Official; and, hereby declares that this application has been reviewed and all facts are true and correct.
